Welcome Back,

Welcome to semester two and the easing of some of the restrictions we have had to put in place. Parent volunteers are welcome back (please fill in the COVID-19 site entry form in the front office). We are now allowed to have more people on site and school sports can resume. This means we can have assemblies again and that Sports Day will go ahead at the end of this term.

Even though some restrictions have eased please still be aware of physical distancing and good hygiene. We are still asking you and/or your children not to attend school if you/they are ill or have any respiratory illness symptoms ie. Cough, sneezing, runny nose, sore throat etc.

Lunch Orders

Please remember that there will be no credit or IOUs for lunch orders. Please ensure you pay by Thursday or your child will not get their order. Thank you for your cooperation.

Yard Safety

To make sure that everyone is safe in the yard can you please help us by reminding your children:

- To shut the gate after going through before and after school.
- Not to ride their bike or scooter on school grounds. They need to walk it to and from the gate.
- Not to play on the playground or in the sandpit before school.
- Not to be on school grounds out of school hours.

A reminder that teachers are on duty from 8:30am so students should not be on school grounds before that time unless they are in OSHC.

Raffle Tickets

Please return all raffle tickets (sold and unsold) and money to school by Monday 27th July. The raffle will be drawn on Friday 31st and the winner notified by phone. If you need or want any more tickets please contact the front office.

Good luck everyone.

Regards,

Tony

page 4**

PFA / FUNDRAISING NEWS

The PFA / Fundraising Committee has decided to revert to the title of PFA as this is well known and established.

The PFA has made a commitment to work not only on fundraising but on the other aspects mandated in the constitution such as helping develop school culture and strengthening the links between home and school. They are passionate about making our school the very best it can be and establishing, and growing, a vibrant, active parent community within the school.

If you feel like being a part of this newer direction please contact the school or the members of the PFA. We would really like to have another representative from the parents of students in Room 6 and Room 2.

The current members are:

Room 2 rep—Amanda Kratzer

Room 6 rep—Mel Freeman

Room 4 reps—Kat Cochrane, Deb Rogers, Peter Phaup & Cheryl Farinola

Coffee & Chat

Coffee Meet-Up

Come and join us for our once a month coffee meet-up. We are holding this on the third Tuesday of every month and it is designed for parents who want to get to know other parents in the school community or who just want to get out of the house for a coffee. We will meet at the front gate at 9am and walk to one of the local bakeries for a coffee and a chat. Everyone is welcome.

Fathers' Day

Following the success of the pre-order system we used for Mothers' Day we will be doing a similar process for Fathers' Day.

In the past we have been left with a number of unsold items, while a few students missed out on the items they wanted. To stop this happening an order form will be sent home so you and your child can choose what items you want and then be guaranteed that you will receive them.

Please make sure you check your child's communication folder / bag in the coming weeks.

Lunch Orders

Due to the success of the pizzas we have added a new Cheese & Bacon pizza. We will do this for a trial period and if they prove to be popular we will add it to our permanent menu.

Thanks to Tony and the Governing Council we now have a new, fan forced, oven. This will make lunch orders so much easier.

As already mentioned, to ensure we remain a little bit profitable there will be no IOUs for lunch orders. All orders need to be in and paid for by Thursday or unfortunately your child will not receive their order.
