

## WHAT PARENTS SAY

- *I love this school, teachers are fantastic!*
- *The teachers at Mt Pleasant Primary School are enthusiastic in their teaching. My son and daughter love going to school.*
- *Classroom teacher/parent communication is excellent. Principal very open to parent questions, concerns and offers helpful, genuine support.*
- *The Principal has a positive relationship with the students and understands their educational needs. He supports staff to work effectively with the students in their class.*

## MT POSH

Mt POSH is our school's Out of School Hours Care.

Mt POSH operates before and after school, providing care for Kindergarten and primary school- aged children.

Mt POSH is open from 6:30am to 8:30/9:00am and from 3:00pm to 6:00pm.

For more information and application forms please contact the school.

## PRINCIPAL'S TOURS

A tour of the school with the Principal can be arranged for any interested parents by contacting the school using the contact information below.

## ABOUT US

The motto of our school is 'Our School – Our Future', embodying the ideal that the school and student learning belong to the whole community, staff, students and parents. We are all working together to provide every student with the 21st Century skills, knowledge and attitudes that will enable them to make positive contributions to our school, our community and our future.

We firmly believe in providing the best educational outcomes for all of our students. We continually strive to improve what we do and how we do it. We promote high achievement and lifelong learning for and from all. Our core values are respect, responsibility and honesty. The continuous promotion of these values by staff, students, families and the school community enhances wellbeing as well as fulfilling our vision of preparing our students to be active and informed citizens in an ever-changing world. We are aided in this by a highly professional and dedicated staff (Teachers and Ancillary) who are continually working at improving what they do to ensure they are providing the best learning opportunities they can.

## ABOUT US

Our facilities include a school hall and large, attractive grounds with a native animal enclosure and vegetable garden. To keep up with ongoing demand and growth of technology we have dedicated fibre to the school, interactive LED panels and WiFi in all classrooms, touch screen laptops, ipads and a 3D printer.

We value, promote and encourage positive family-school relationships. Our active Governing Council and Parents & Friends Committee are involved directly in the decision making processes of the school as well as fundraising, Friday lunch orders, Special Lunches, discos, School Market Gate and a variety of special days.

## The Small School Advantage

The advantage of small schools, like Mount Pleasant, is the capacity to have small class sizes. Smaller classes offer tailored instruction to meet your child's needs. The low student-to-teacher ratio means the teacher has time to ensure your child's learning is pitched at a level where they are challenged but feel safe and supported.

Smaller numbers means we know each and every student and their family. The students have a strong sense of connection. They mix with children from all year groups and learn to relate to people of all ages. Here there is a real sense of belonging.
